## Ohio Survey Results

Q1 The candidates for President this fall are Democrat Hillary Clinton and Republican Donald Trump. If the election were today, who would you vote for?

Hillary Clinton...................................................46\%
Donald Trump ................................................. 42\%
Not sure .......................................................... 12\%
Q2 The candidates for U.S. Senate are Democrat Ted Strickland and Republican Rob Portman. If the election were today, who would you vote for?

Ted Strickland .......................................................... $39 \%$
Rob Portman....................................................48\%
Not sure ........................................................... 13\%
Q3 Under a new federal rule, people who earn less than $\$ 47,000$ a year will be guaranteed time-and-a-half overtime pay when they work more than 40 hours a week. 350,000 more Ohioans will be eligible for overtime pay as a result. Do you strongly favor, somewhat favor, somewhat oppose or strongly oppose this proposal?

Strongly favor..................................................56\%
Somewhat favor............................................. 24\%
Somewhat oppose .......................................... 9\%
Strongly oppose............................................... 5\%
Not sure ......................................................... 5\%
Q4 Senate Republicans are seeking to block the expansion of overtime pay coverage for salaried workers making less than $\$ 47,000$ per year. Would you be more or less likely to support a candidate who sought to block this new rule?

More likely....................................................... 18\%
Less likely ...................................................... $51 \%$
Not sure ......................................................... 31\%

Q5 The federal minimum wage has been $\$ 7.25$ an hour since 2009. Do you strongly support, somewhat support, somewhat oppose or strongly oppose raising the federal minimum wage?
Strongly support ..... 48\%
Somewhat support ..... 22\%
Somewhat oppose ..... 14\%
Strongly oppose ..... 12\%
Not sure ..... 3\%

Q6 Congress may consider a proposal that would raise the federal minimum wage from $\$ 7.25$ an hour to $\$ 10$ an hour at first, and then raise it each year after that until it reaches \$15 an hour. Would you strongly support, somewhat support, somewhat oppose or strongly oppose this approach to increasing the federal minimum wage?
Strongly support ..... 39\%
Somewhat support ..... 21\%
Somewhat oppose ..... 14\%
Strongly oppose ..... 22\%
Not sure ..... 4\%
Q7 Congressional Republicans have blocked anyaction to raise the federal minimum wage,which has been $\$ 7.25$ an hour since 2009. If acandidate for Senate or the House ofRepresentatives opposed raising the minimumwage, would that make you much more likelysomewhat more likely, somewhat less likely ormuch less likely to vote for them?
Much more likely ..... 17\%
Somewhat more likely ..... 18\%
Somewhat less likely. ..... 20\%
Much less likely. ..... 31\%
Not sure ..... 13\%
Q8 Ted Strickland has called for raising the federal minimum wage so that no one who works full time has to live in poverty. Does this make you much more likely, somewhat more likely, somewhat less likely or much less likely to support Ted Strickland?
Much more likely............................................. 33\%
Somewhat more likely...................................... 18\%
Somewhat less likely....................................... 12\%
Much less likely................................................26\%
Not sure ................................................................... 10\%
Q9 In 2014, Rob Portman voted against raising the minimum wage to $\$ 10.10$ an hour. Does this make you much more likely, somewhat more likely, somewhat less likely or much less likely to support Rob Portman?
Much more likely..............................................22\%
Somewhat more likely..................................... 17\%
Somewhat less likely........................................ 17\%
Much less likely............................................... 33\%
Not sure .................................................................. 10\%
Q10 Having heard all the information in this poll, let me ask you again: The candidates for U.S. Senate are Democrat Ted Strickland and Republican Rob Portman. If the election were today, who would you vote for?
Ted Strickland ................................................. 40\%
Rob Portman...................................................46\%
Not sure ......................................................... 14\%
Q11 In the 2012 election for President, did you vote for Barack Obama or Mitt Romney?
Barack Obama.................................................50\%
Mitt Romney....................................................41\%
Someone else / Don't remember .................... 8\%

Q12 Do you consider yourself to be very liberal, somewhat liberal, moderate, somewhat conservative, or very conservative?

Very liberal...................................................... 12\%
Somewhat liberal ............................................ 18\%
Moderate......................................................... 32\%
Somewhat conservative................................. 24\%
Very conservative ........................................... 14\%
Q13 If you are a woman, press 1. If a man, press 2.
Woman ............................................................53\%
Man.................................................................47\%
Q14 If you are a Democrat, press 1. If you are a Republican, press 2. If you are an independent, press 3.

Democrat .......................................................39\%
Republican.......................................................38\%
Independent...................................................23\%
Q15 If you are Hispanic, press 1. If white, press 2. If African-American, press 3. If other, press 4.

Hispanic ......................................................... 2\%
White ............................................................. 82\%
African-American ........................................... 13\%
Other............................................................... 3\%
Q16 If you are 18-29 years old, press 1. If 30-45, press 2. If $46-65$, press 3 . If older than 65 , press 4.
$\qquad$
18 to 14\%

30 to 45........................................................... 23\%
46 to 65...........................................................42\%
Older than 65......................................................... 21\%
Q17 Was your personal total income before taxes in 2015 more or less than $\$ 31,000$ ?

More than \$31,000......................................... 53\%
Less than \$31,000 ......................................... 30\%
Don't care to say............................................. 18\%
